PREAMBLE

WHEREAS the CONSTITUTION allocates water and sanitation services, limited to the potable water supply systems and domestic waste-water and sewage disposal systems, as a functional area of local government competence;

AND WHEREAS the STRUCTURES ACT allocates this function to the district municipalities in terms of section 84(1) (b) and 84(1) (d) and acting in terms of Section 84(3) the Minister of Provincial and Local Government published a notice in Government Gazette No 25076 dated 13 June 2003 (Notice Number 816) in terms of which the Capricorn District Municipality (DC35) was authorized to perform the functions and exercise the powers mentioned in sections 84(1) (b) and 84(1) (d) of the Act as the Water Services Authority [WSA] in its area, excluding the area of the Polokwane Local Municipality who act as a water services authority;

AND WHEREAS the District Municipality is entitled to the rights and bound by the obligations applicable in respect of local government powers and functions and municipal services under the Constitution, the Water Services Act, the MFMA, the Systems Act and the Structures Act in respect of the powers and functions mentioned in sections 84(1) (b) (potable water supply systems) and 84(1) (d) (domestic wastewater and sewage disposal systems), of the Structures Act;

CONSEQUENTLY the Capricorn District Municipality is in the process of finalizing the community consultation and information dissemination actions in terms of section 80(2), a feasibility study in terms of section 80(3), as well as the assessment process for deciding on appropriate mechanisms to provide the water services as required by section 78 of the Systems Act and section 19 of the Water Services Act;

NOW THEREFORE the Capricorn District Municipality has agreed to appoint on an interim basis the LM as the water service provider in line with the Water Services Provider Contract Regulations (R980 of 19 July 2002) in respect of the retail water services and the Local Municipality hereby accepts such interim appointment. The parties have reached agreement on the terms and conditions of the interim appointment and this agreement is concluded to give effect thereto as follows:

- to provide for the rendering of water services in an efficient, equitable, cost effective and sustainable manner for the benefit of the customers as proposed by section 73 of the Systems Act;
- to set fair and equitable terms to Capricorn District Municipality, the Local Municipality and the customers for the provision and consumption of the water services;
- to manage a financial "ring-fenced" water service delivery system in the contract area; and
- to ensure that Capricorn District Municipality and the Local Municipality gather and assess information for future resolutions in regard to the provision of the water services.

The WSA shall (unless specifically otherwise provided in this contract) remain responsible for complying with all regulatory provisions applicable to its duties

and obligations in terms of this contract, including but not limited to applying for the necessary approvals, consents, licenses or permits, where required.

14. PERSONNEL

- 14.1 The WSA shall at all times be and remain the employer of employees allocated to the performance of its rights and responsibilities in terms of this contract and be responsible for all labour relations matters and compliance with all labour legislation in respect of such employees.
- 14.2 The day to day management of seconded personnel shall be conducted by the WSP in consultation with the WSA.

15. REPORTING AND INFORMATION MANAGEMENT

- 15.1 The WSP shall record and maintain a complete record of its contractual duties, income and expenditure, anticipated upgrade or refurbishment and obligations by the use of appropriate technology. Records shall be kept and submitted to the WSA on monthly basis. The WSA and the WSP shall meet as and when there is a need on date and time determined by the WSA in consultation with the WSP to discuss amongst others the revenue collected, debt control, expenditure and any other matter in relation to this agreement.
- 15.2 The following data must be maintained at the offices of the WSP –
- 15.2.1 Water meters: locations, consumer's name, reference number, diameter, date of control, reading at time of installation, consumption; and
- 15.2.2 Drawings and technical documentation in respect of the water services system.
- 15.3 Subject to reasonable notification from the WSA, all records shall be made available to the WSA or its appointed agents during normal working hours with the object of verifying that they are being correctly maintained and to facilitate the regulatory and monitoring functions of the WSA in respect of the provision of water services.
- 15.4 The WSP must provide information to the WSA required in respect of the water services development plan and progress made in respect of the provision of

SECTION D: RESPONSIBILITIES AND RIGHTS OF CDM AS WSA

17. BYLAWS AND POLICIES

- 17.1 The WSA undertakes to timeously, on request of the WSP or otherwise, promulgate all by-laws and adopt all policies –
- 17.1.1 required in terms of the Act or any other legislation;
 - 17.1.2 necessary to comply with any regulatory provisions; or
 - 17.1.3 necessary to enable the WSP to comply with its duties and obligations and exercise its rights in terms of this contract;
- 17.2 The WSA shall, prior to the promulgation of by-laws or policies or the amendment of by-laws or policies that may have financial implications in terms of this contract, quantify such financial implications and agree with the WSP on the most appropriate method of addressing such financial implications.

18. PERMITS, LICENSES, EXEMPTIONS, PERMISSION OR APPROVALS

- 18.1 The WSA shall ensure compliance with all applicable regulatory provisions and where such compliance requires any action on the part of the WSA, to undertake such action timeously.
- 18.2 The WSA guarantees that on the effective date all permits, licenses, exemptions, permissions and approvals that may have been required in terms of regulatory provisions in respect of the provision of water services were obtained in the required manner.

19. FINANCIAL MATTERS

19.1 Tariffs

- 19.1.1 The determination and approval of water services tariffs shall be undertaken by the WSA in accordance with prevailing regulatory provisions including sections 74, 75 and 75A of the Municipal Systems Act and the Regulations made in terms of section 10 of the Act. The adjustment of tariffs can be done by the WSP subject to sections 81(1) (d) and 81(3) of the Municipal Systems Act.

19.1.2 In addition to any relevant considerations set out in the regulatory provisions, the WSA shall have regard to the following factors in structuring tariffs, provided that none of these factors are irrelevant in terms of the regulatory provisions –

- (a) affordability of water services;
- (b) the need to ensure the sustainability and financial viability of water services within the water services area;
- (c) different service levels;
- (d) the use of the equitable share to meet basic needs;
- (e) future capital expenditure necessary for addressing predicted increases in water demand due to population growth;
- (f) the operation and maintenance cost of existing services, including the cost of raw water;
- (g) inflation;
- (h) the need to extend water services;
- (i) the need to improve service levels and cost recovery;
- (j) the need for extension of the existing water services system or new assets for water services; and
- (k) the need to service and repay any capital expenditure or loans.

19.1.3 In addition to the provisions of Clause 19.1.2, tariffs for the provision of sanitation services shall satisfy the following principles, provided that this is consistent with prevailing regulatory provisions such as section 74 of the Municipal Systems Act and the Tariff Policy of the CDM: –

19.1.3.1 the domestic and commercial tariff shall be proportioned to the quantity of water consumed; and

19.1.3.2 the industrial tariff shall be structured having regard to both the quantity of water consumed and the quality of effluent discharge.

19.1.4 The WSA shall set the tariffs for the 2013/14 financial year, and where necessary, such tariffs shall be recoverable from the July account of each financial year.

19.1.5 The WSA agrees to an extraordinary review of and adjustment of tariffs set for a financial year, during that financial year, at the request of the WSP if such a review can be justified as a result of –

- (a) an unpredicted increase in the tariffs payable in respect of raw water;
- (b) changing legislative requirements that cannot be complied with unless additional expenditure is incurred;
- (c) a material change in the business plan as a result of unforeseen circumstances; and
- (d) any vis major event, occurrence, circumstances or condition that affects the operation, maintenance of the WSP.

19.2 Grant funding

The WSA undertakes to take all reasonable measures to obtain grant funding available from any third party in respect of the rendering of the water services.

19.3 Equitable share

The WSA shall annually agree with the WSP, in the water services budget, the amount of the equitable share to be allocated to the water services in terms of section 81(2)(b) of the Municipal Systems Act. The minimum annual amount shall not be less than the actual cost of providing basic services in accordance with the WSA's free basic water policy. If the funds available are not sufficient to cover the minimum amount then the WSA shall consider a revision of tariffs and the indigent policy, provided that the WSP is not financially prejudiced by such shortfall in any way.

20. MONITORING

20.1 The WSA shall in terms of section 81(1) (b) of the Municipal Systems Act, subject to the provisions of the contract and applicable regulatory provisions–

20.1.1 monitor the activities, performance and compliance of the WSP in accordance with this contract and take any action as is necessary to ensure performance;

20.1.2 monitor the compliance of the WSP with the approved budget;

- 20.2.3 perform inspections of the water services and monitor any impact which the supply of services may have on the environment;
 - 20.2.4 monitor the financial records of the WSP;
 - 20.2.5 monitor the implementation of customer care; and
 - 20.2.6 monitor the operating procedure on a regular basis.
- 20.2 If the WSA is of the opinion that the WSP is not complying or only partially complying with any provision of this contract, the WSA may proceed in accordance with the breach provisions or termination provisions in section G of this contract, as is appropriate.

21. INFORMATION COLLECTION AND WATER SERVICES DEVELOPMENT PLAN

- 21.1 The WSA shall collect information, which it deems necessary from the WSP and consumers concerning the supply of water services necessary for the preparation and adoption of the prescribed water services development plan.
- 21.2 The WSA shall collect information in respect of –
- 21.2.1 the quality, quantity and sustainability of the supply of water services and/or the water source having regard to prescribed minimum norms and standards set by the WSA and regulatory provisions;
 - 21.2.2 the nature, operation, sustainability, operational efficiency and economic viability of the supply of services and the water services system.

22. EXTENSION AND IMPROVEMENT TO THE WATER SERVICE SYSTEM

- 22.1 Either the WSA or the WSP may indicate the need for the extension, replacement, refurbishment or betterment of the existing water services system or the construction, leasing or acquiring of new assets which requires capital expenditures.
- 22.2 Prior to any loan funding being obtained the WSA shall ensure that the water services revenue is able to address any financial implications of such loan funding and shall consult the WSP in this regard and that provisions of Chapter 6 of the MFMA has been complied with.

SECTION E: FINANCIAL MATTERS

23. INCOME AND EXPENSES

WSP will prepare and maintain financial records and statements in accordance with the Generally Accepted Accounting Practice publication adopted in the Republic of South Africa or, in the case of a sphere of government, in accordance with the relevant financial management legislation as per section 16(a) of the Water Service Act Regulation GNR.980 of July 2002.

WSP must record all existing and past consumers of water services dealt with and maintain a record of operations, maintenance, inspections and technical auditing in terms of section 17(a) and (b) of the Water Service Act Regulation GNR.980 of July 2002.

- 23.1 cover any loss or shortfalls relating to the provision for water services during the forthcoming financial years;
- 23.2 extend the existing water services;
- 23.3 improve existing service levels and fund future operational costs
- 23.5 improve financial systems of the municipality to achieve completeness of revenue generated and collected

24. ASSETS

The WSP shall under no circumstance be entitled to dispose of or encumber or grant any security rights to any of the water services system without the consent of the WSA. The WSA shall remain the owner of the water services system at all times and the assets listed in the Asset Register.

SECTION F: COORDINATION

25. COORDINATING COMMITTEE

- 25.1 The object of the coordinating committee as part of the intergovernmental structures provided for in the Intergovernmental Relations Framework Act No. 13 of 2005 is to facilitate the implementation of the contract and to ensure that there is continual sharing of information.
- 25.2 The co-ordination of water services function and the monitoring of the water services agreement shall be conducted through the district intergovernmental forums. The responsibilities of the forums shall be to:
- 25.2.1 Co-ordinate, facilitate and mediate the implementation and execution of this contract;
 - 25.2.2 collate and disseminate information; and
 - 25.2.3 facilitate and assist in raising capital and funding for the WSA.
- 25.3 The WSA shall be responsible for convening the meetings of the intergovernmental forums and to provide the secretariat and the administrative support for such meetings.

SECTION G: LIABILITY, BREACH, TERMINATION AND VIS MAJOR

26. BREACH AND TERMINATION AS A RESULT OF MATERIAL BREACH

- 26.1 If any party commits a breach of this contract and should the other party wish to claim specific performance or damage or both from the defaulting party in respect of such breach, then prior to the latter party exercising such right, it shall deliver a written notice to the defaulting party notifying it of the breach giving rise to such right and requesting the defaulting party to remedy the breach in question within a period of 20 (twenty) days (or such longer period stipulated in the notice if the breach in question cannot reasonably be remedied by the defaulting party within a 20 (twenty) day period)), and should the defaulting party fail to remedy the breach within the such period then the party giving notice may claim specific performance or damages or both, as the case may be. If any damages are claimed the defaulting party shall be absolved from performing such acts.
- 26.2 If the defaulting party again commits a breach in respect of which the other party has successfully claimed damages or specific performance, the breach shall be deemed to be a material breach if the party fails to remedy the breach within 20 (twenty) day notice period given and the party shall be entitled to cancel the contract.
- 26.3 Prior to the party evoking any right to terminate this contract, it shall deliver a further written notice to defaulting party notifying it of the material breach giving rise to such right and requesting the defaulting party to remedy the breach in question within a further period of 20 (twenty) days (or such longer period stipulated in the notice if the breach in question cannot reasonably be remedied by the defaulting party within a 20 (twenty) day period).
- 26.4 Should the defaulting party fail to remedy the material breach in question within the period reflected in the notice the contract shall terminate at the expiry of the period stated in the notice.
- 26.5 Upon any termination of the contract, the defaulting party shall compensate the party terminating the contract for damages suffered as a result of such termination and all other costs and expenses incurred by the party terminating the contract in connection with or relating to such termination.

27. EFFECT OF TERMINATION

- 27.1 On termination of this contract, the parties agree that for a period of at least 3 (three) months prior to the termination date of the respective parties rights and obligations in this contract, a "hand back procedure" shall be effected, the parties at all times recognizing that continuity of the performance of the obligations in this contract is essential.
- 27.2 The hand back procedure will include at least the following activities –
- 27.2.1 the rights and obligations of the WSP in respect of providing water services within the water services area shall terminate;
 - 27.2.2 the WSP's right of use and access to the water services system shall terminate;
 - 27.2.3 the WSP's right of access to the water services revenue shall terminate and the WSP shall reconcile and account for all activity in the water services account prior to the termination date;
 - 27.2.4 all the records, plans, specifications, engineering documents, operation contracts associated with or connected to the water services system and the provision of water services shall be handed over to the WSA;
 - 27.2.5 all monies due and payable to the parties shall be settled; and

SECTION H: DISPUTE RESOLUTION

28 DISPUTE RESOLUTION

28.1 Any dispute or claim between the parties shall be dealt with as follows:

28.1.1 disputes of a financial nature shall be dealt with in terms of section 44 of the Municipal Finance Management Act;

28.1.2 non-financial disputes shall be dealt with in terms of Chapter 4 of the Intergovernmental Relations Framework Act No. 13 of 2005; and

28.1.3 disputes concerning performance of functions or the exercise of powers shall be dealt with in terms of section 86 of the Municipal Structures Act.

SECTION I: MISCELLANEOUS PROVISIONS

29. FAILURE TO REACH AGREEMENT

Where it is specified in this contract that certain matters are to be agreed between the parties, failure to reach agreement in respect of such matter will not affect the validity and enforceability of the whole or any part of this contract.

30. SEVERABILITY

Any provision in this contract which is or may become illegal, invalid or unenforceable in any jurisdiction affected by this contract shall, as to such jurisdiction, be ineffective to the extent of such prohibition or un-enforceability and shall be treated *pro no scripto* and severed from the balance of this contract, without invalidating the remaining provisions of this contract or affecting the validity or enforceability of such provision.

31. PRESERVATION OF THE POWERS AND DUTIES OF THE WSA

Nothing in this contract shall curtail the statutory powers of the CDM as the WSA in its capacity as the water services authority in respect of the provision of water services or where and if applicable, the responsibility for revenue services in any manner whatsoever.

32. ASSIGNMENT, TRANSFER, CESSION AND DELEGATION

No party shall be entitled to assign, transfer, cede or delegate of its rights and obligations in terms of this contract without the prior written consent of the other party.

33. SUB-CONTRACTING

33.1 The WSP may sub-contract certain but not all of its powers, rights, duties and obligations in terms of this contract if the agreement in terms of which such powers, rights, duties and/or obligations are sub-contracted terminates prior to

the termination of this contract. The WSA shall not have any relationship whatsoever with any sub-contractor.

- 33.2 The WSP may not sub-contract any of its powers, rights, duties and obligations in terms of this contract if the agreement in terms of which such powers, rights, duties and/or obligations are sub-contracted does not terminate prior to or on the termination of this contract, without the prior written consent of the WSA and in such circumstances the WSA may prescribe matters to be included or addressed in such sub-contract. The WSP shall provide in all such sub-contracting agreements for the cession of such agreements to the WSA on termination of this contract.
- 33.3 The appointment of any sub-contractor shall not release the WSP of its duties or obligations in terms of this contract or in any way affect the WSP's responsibility in respect of fulfilling such duties and obligations.
- 33.4 The WSP shall keep records of all contracts entered into in connection with or associated with its powers, rights, duties or obligations in terms of this contract and shall on request provide information in respect thereof to the WSA.

34. CONTRACT BINDING ON SUCCESSORS-IN-TITLE

This contract shall be binding on any successor in title of the WSP and any successor in title of the WSA.

35. GOOD FAITH

The parties shall in their dealings with each other display the utmost good faith and undertake to do all such things, perform all necessary acts and procure the taking of all necessary steps and sign all such other documents that may be necessary or incidental or conducive to give effect to the intention and the terms and conditions of the contract.

36. PREVENTION OF CORRUPTION

The parties undertake to identify and take all reasonable steps to prevent the parties, their employees, their sub-contractors, their agents or anybody under its control from—

- 36.1 involvement in any "corrupt activities" as contemplated in the Prevention and Combating of Corrupt Activities Act No. 12 of 2004; or
- 36.2 Showing undue favour to any person in relation to a contract.
