NOTES

Reference, in this document, to one gender shall apply equally to the other gender unless the contrary is clearly and explicitly indicated.

The term “competitive bid” has replaced the term “tender” in all the applicable legislation. The term “tender,” which refers to both procurement and asset disposal, has been in use for many years and will remain in popular usage for some time to come.

The terms “competitive bid” and “tender” will thus be taken to have the same meaning in all documentation used by Capricorn District Municipality pertaining to supply chain management.

2. POLICY STATEMENT

2.1 Introduction

The Constitution of the Republic of South Africa (RSA), 1996 in Section 217 stipulates that an organ of state in national, provincial or local sphere of government, or any other institution identified in national legislation, contracts for goods or services, must do so in accordance with a system which is fair, equitable, transparent, competitive and cost effective.

The Municipal Finance Management Act No. 56 of 2003, Section 111 requires each municipality and municipal entity to adopt and implement a supply chain management policy, which gives effect to the requirements of the Act.

2.2 Goal

The goal of this Policy is to provide a framework to ensure a sound and accountable system of supply chain management within the **Capricorn District Municipality**, whilst promoting the following five pillars of procurement:

- 2.2.1 Value for money
- 2.2.2 Open and effective competition
- 2.2.3 Ethics and fair dealing
- 2.2.4 Accounting and reporting
- 2.2.5 Equity

Capricorn District Municipality intends to further use the supply chain management policy as a tool to achieve the following;

- 2.2.6 stimulate economic growth;
- 2.2.7 stimulate socio economic development;
- 2.2.8 enhance quality services;
- 2.2.9 empower local communities;
- 2.2.10 create opportunities for local SMME's;
- 2.2.11 eliminate and counter any form of corruption; and

2.3 Objectives

The objectives of this Policy are:

- 2.3.1 to give effect to section 217 of the Constitution of the Republic of South Africa by implementing a system that is fair, equitable, transparent, competitive and cost effective;

- 2.3.2 to comply with all applicable provisions of the Municipal Finance Management Act including the Municipal Supply Chain Management Regulations published under GN868 in Government Gazette 27636 30 May 2005 and any National Treasury Guidelines issued in terms of the MFMA;
- 2.3.3 to ensure consistency with all other applicable legislation and any regulations pertaining thereto, including:
 - 2.3.3.1 *The Constitution of the Republic of South Africa (Section 217);*
 - 2.3.3.2 *The Reconstruction and Development Programme as published in Government Gazette No. 16085 dated 23 November 1994.*
 - 2.3.3.3 *The Local Government: Municipal Finance Management Act, 2003 (Act No. 56 of 2003), the regulations and all amendments;*
 - 2.3.3.4 *The Local Government: Municipal Structures Act, 1998 (Act No. 117 of 1998), the regulations and all amendments;*
 - 2.3.3.5 *The Construction Industry and Development Board Act, 2000 (Act No. 38 of 2000), the regulations and all amendments;*
 - 2.3.3.6 *The Prevention and Combating of Corrupt Activities Act, 2004, (Act No. 12 of 2004);*
 - 2.3.3.7 *The Competition Act, 1998 (Act No. 89 of 1998);*
 - 2.3.3.8 *The State Information Technology Agency, 1998, (Act No. 88 of 1998 as amended by Act No. 38 of 2002);*
 - 2.3.3.9 *The National Small Business Act, 1996 (Act No. 102 of 1996);*
 - 2.3.3.10 *Promotion of Administrative Justice Act, 2000 (Act No. 3 of 2000);*
 - 2.3.3.11 *Protected Disclosures Act, 2000 (Act No. 26 of 2000);*
 - 2.3.3.12 *Treasury regulations;*
 - 2.3.3.13 *National Treasury Circulars and Letters;*
 - 2.3.3.14 *Supply Chain Management: A guide to Accounting Officers and Accounting Authorities; and*
 - 2.3.3.15 *The King III Report on Corporate Governance for South Africa.*

This Policy will also strive to ensure that the objectives for uniformity in supply chain management systems between organs of state, in all spheres, is not undermined and that consistency with national economic policy on the promotion of investments and doing business with the public sector is maintained.

2.4 Core Principles

In order to achieve value for money, Capricorn District Municipality will base procurement outcomes around core principles of government procurement. As a result, Capricorn District Municipality is committed to:

2.4.1 Transparency

The procurement process shall be opened and predictable and shall afford prospective bidders' timely access to the same and accurate information.

2.4.2 Equal treatment

All bidders and providers shall be treated equally throughout the whole procurement process and shall be given access to the same information.

2.4.3 Effectiveness

The municipality shall strive to standardise and simplify procedures where appropriate to enhance the SCM system's effectiveness and shall carry out its SCM processes as cost-effectively and efficiently as possible. The municipality shall strive to build relationships with providers, shall ensure good working practices and shall encourage innovative solutions for providers.

2.4.4 Competitiveness

The municipality shall satisfy its requirements through competition unless there are justifiable reasons to the contrary.

2.4.5 Fairness

All bidders shall be dealt with fairly and without unfair discrimination. Unnecessary constraints shall not be imposed on bidders/contractors and commercial confidentiality shall be protected.

2.4.6 Ethics

All bidders shall be treated equally whilst promoting certain empowerment objectives, all stakeholders shall conduct business and themselves professionally, fairly, reasonably and with integrity, all interest shall be disclosed and all breach shall be reported.

2.4.7 Proportionality

The product/service requirements stipulated in the specification/TOR and the qualification requirements attached thereto must be appropriate, necessary and in reasonable proportion to the product/service being procured.

2.4.8 Uniform application

The municipality shall ensure the application of a SCM policy and a streamlined SCM process and documentation that is uniformly applied by the municipality, all things being equal. The procurement processes shall be simple and adaptable to advances in modern technology to ensure efficiency and effectiveness.

2.4.9 Responsibility

Each practitioner shall be responsible for their decisions and actions relative to their SCM responsibilities, the SCM process as well as in the implementation of concluded contracts. The municipality shall develop a system, when warranted by circumstances, to investigate and hold liable both employees and relevant private parties dealing with municipality, for their decisions and actions relative to their procurement responsibilities, the procurement process as well as in the implementation of concluded contracts.

2.4.10 Openness

The municipality shall ensure a procurement process and a subsequent contract award and implementation according to the predetermined specifications in line with the best practice procurement principles.

2.4.11 Value for money

The municipality shall achieve value for money through the optimum combination of whole life cost and quality (or fitness for purpose) to meet the customer's requirements while maximising efficiency, effectiveness and flexibility.

2.5 Oversight

The Municipal Finance Management Act No. 56 of 2003, Section 117 prohibits a Municipal Councillor from being a member of a bid committee or any other committee evaluating or approving quotations or bids nor May a Municipal Councillor attend any such meeting as an observer.

Council, however, has an oversight role to ensure that the Municipality implements the Municipal Supply Chain Management policy and other relevant legislations.

For the purposes of such oversight, the Municipality Manager shall, within 10 (ten) days of the end of each quarter, submit a report on the implementation of this Policy to the Executive Mayor and, within 30 days of the end of each financial year, shall submit a similar such report to Council.

In addition, if any serious problem arises in relation to the implementation of this Policy, the Municipality Manager shall immediately report to Council accordingly.

All such reports shall be made public in accordance with section 21(1)(a) of the Systems Act.

2.6 Compliance with Ethical Standards

In order to create an environment where business can be conducted with integrity and in a fair and reasonable manner, this Policy will strive to

ensure that the Municipality Manager and all representatives of the Capricorn District Municipality involved in supply chain management activities shall act with integrity and in accordance with the highest ethical standards.

All supply chain management representatives shall adhere to the code of conduct of municipal staff contained in schedule 2 of the Systems Act, and this Policy's Code of Ethical Standards.

- 3.4.4.7 *No supply chain management decision-making powers may be delegated to an advisor or consultant.*
- 3.4.4.8 *To the extent that it may be necessary, Council authorises the Municipal Manager to delegate or sub-delegate to a staff member any power conferred on the Municipal Manager in terms of the MFMA and the Supply Chain Management Regulations relating to supply chain management.*

4. FRAMEWORK FOR SUPPLY CHAIN MANAGEMENT

4.1 Supply Chain Management System

4.1.1 Format of supply chain management system - This Policy provides for systems of –

- 4.1.1.1 *Demand management;*
- 4.1.1.2 *Acquisition management;*
- 4.1.1.3 *Preferential Procurement*
- 4.1.1.4 *Logistics management;*
- 4.1.1.5 *Disposal management;*
- 4.1.1.6 *Risk management;*
- 4.1.1.7 *Performance management; and*
- 4.1.1.8 *Other matters*
- 4.1.1.9 *Preference points system*

4.1.2 The system must in the case of procurement through bidding process, provide for:

- 4.1.2.1 *Bidding procedures;*
- 4.1.2.2 *The establishment, composition and functioning of a bid specification, bid evaluation and bid adjudication committees.*
- 4.1.2.3 *Adjudication of bids through a bid adjudication committee.*
- 4.1.2.4 *Consideration of bid evaluation recommendations.*

The system takes into account the main influencers such as suppliers, clients, information and inventory flow.

4.2 Demand Management

The accounting officer must establish and implement an appropriate demand management system in order to ensure that the resources required by the municipality supports its operational commitments and its strategic goals as outlined in the Integrated Development Plan of Capricorn District Municipality.

Demand Management is the first element of the SCM function. The objective is to ensure that the resources required to fulfil the needs identified in the Integrated Development Plan (IDP) of municipality are delivered at the right time, price and place and that the quantity and quality will satisfy those needs of the municipality.

The municipality's Integrated Development Plan (IDP) is a comprehensive strategy document setting out how the municipality intends to tackle its developmental challenges in a financial year. It is on the basis of the IDP that the resources of the municipality will be allocated and on which the budget is based.

Demand management within SCM forms an integral part of a series of activities that will contribute to achieving the measured goals of the institution by ensuring that goods, works or services are delivered as originally envisaged; with a reliable standard of quality and to the satisfaction of end-users. Correct implementation also ensures that, controls exist for management to detect variances early and rectify them

in a planned and orderly manner and to foster a culture of compliance, thereby assisting management to achieve its goals and satisfy the executive and general public.

Each Executive Manager must during the preparation of his/her departmental estimates for the budget year:-

- 4.2.1 Determine which project and/or programs it must perform;
- 4.2.2 Determine the goods and services it must provide in the performance of those functions and compile a procurement plan.
- 4.2.3 Determine the quantity and specifications for goods and services required;
- 4.2.4 Embark on expenditure analysis of goods and services required;
- 4.2.5 Embark on market/industry analysis;
- 4.2.6 Before the procurement of assets, conduct a condition assessment of the assets managed by his/her department and determine its financial needs during the budget year for:
 - 4.2.6.1 *Maintaining existing assets;*
 - 4.2.6.2 *Repairing existing assets;*
 - 4.2.6.3 *Refurbishing or renovating existing assets;*
 - 4.2.6.4 *Replacing existing assets; and*
 - 4.2.6.5 *Acquiring new assets.*

4.2.7 Procurement planning

Procurement planning should take place at the beginning of the financial year when Capricorn District Municipality's IDP, SDBIP and annual budget have been approved. Procurement plans cannot be developed in isolation; it should instead form part of the municipalities and other functional strategies. The SCM Unit must perform hand-in-hand with End-End-user departments / directorates in the formulation of procurement plans.

The SCM Unit shall after consultation with Departmental Managers, compile a consolidated procurement plan for all capital and operational projects in respect of each financial year;

4.2.8 Analysis of the goods, works or services required

During the strategic planning phase of the municipality, the goods, works or services required to execute the identified functions are determined. The SCM Unit should assist the process in ensuring that the identified goods, works or services are the optimum resources required to achieve the goals and objectives of the municipality.

The SCM unit must analyse the goods, works or services required and execute, among others, the following:

- 4.2.8.1 *List the functions to be executed by the institution;*
- 4.2.8.2 *Conduct an analysis of the past expenditure as this exercise may, among others, contribute in determining the manner in which the institution fulfilled its needs in the past; and*
- 4.2.8.3 *Compile a detailed list of the goods, works or services required to execute the functions.*
- 4.2.9 Planning to obtain the required goods, works or services
Together with the end-user, the SCM Unit should apply strategic sourcing principles to determine the optimum manner in which to acquire the required goods, works or services.
- 4.2.10 This entails, among others, the following:
 - 4.2.10.1 *Conducting an industry and market analysis of the goods, works or services to be obtained. This must include the determination of a reasonable price for the required goods, works or services;*
 - 4.2.10.2 *Confirmation that sufficient funds have been allocated for the procurement of the required goods, works or services. If this is not so, the end-user must be informed accordingly. The procurement process should not proceed if funds are not available. Documentary proof must be obtained to substantiate the availability of budgetary provisions;*
 - 4.2.10.3 *Considering the optimum method to satisfy the need, for example whether the procurement should be by means of price quotation, advertised competitive bids, limited bids; procuring the goods, works or services from other institutions, or on transversal term contracts nor ad hoc contracts;*
 - 4.2.10.4 *The frequency of the requirement(s) must be established in order to determine whether it would be cost-effective to arrange a specific term contract for the goods, works or service;*
 - 4.2.10.5 *Establishing whether it would be cost-effective to have the goods available as a store item within the institution. Should this be the case, the minimum and maximum storage levels of these items should be determined and managed; and*
 - 4.2.10.6 *Establishing the lead time required by the potential suppliers to deliver the required goods, works or services after receipt of an official order.*

4.3 Acquisition management

- 4.3.1 The accounting officer must implement the system of acquisition management set out below in order to ensure –
 - 4.3.1.1 *that goods and services are procured by the municipality in accordance with authorised processes only;*

4.5.10 Taking action against a contractor

In the event of a contravention, the municipality's success to impose its available remedies and exercise its powers in this regard will be improved if the process requirements when inviting and awarding the bid have been correctly followed by the municipality or entity.

In each case the municipality or entity should consider whether it has appropriate skills/knowledge internally to investigate the matter or whether such skills/ knowledge or the circumstances of a specific case require such to be sourced externally. For some types of contracts breaches it may be necessary to obtain independent advice. For example, a registered engineer should confirm inferior quality in terms of construction breaches. In less severe cases it may be appropriate to obtain an internal report or statement from a suitably qualified official. Legal advice may also be required in some instances.

In all instances where a criminal offence is suspected, and immediately after its discovery, the matter must be reported by the Accounting Officer/ Chief Financial Officer to the South African Police Service (SAPS). This is over and above the municipality's own internal investigation and action. In the event that the Accounting Officer or Chief Financial Officer is implicated, the Speaker of Council or the person delegated by council in the interim with the responsibilities of the Accounting Officer should immediately report the matter to the SAPS.

The municipality or entity, over and above its contractual and other remedies, is also entitled to the remedies included in the Preferential Procurement Regulations.

4.5.11 Right of appeal by the contractor

A contractor or any other person restricted by the Accounting Officer in this manner has a right to contest this restriction in a Court of Law. The municipality or entity that imposed the restriction is responsible and accountable for any costs associated with court proceedings and for the cost of any decision that may result.

5. MINUTES, RECORDS AND THRESHOLDS

5.2.1 The SCM Unit shall be responsible for the secretarial work, including minute taking. The SCM section shall further be responsible for safe keeping of all correspondence generated by or received on behalf of the Committee.

5.2.2 The secretary of the Bid Committees shall be responsible for safe keeping of the minutes signed by the relevant Chairperson as accuracy and validity of proceedings.

5.3 Decision making

5.3.1 Normally decisions will be reached by consensus. Should there be sharp differences between members over any specific matter, a decision may be arrived at by voting by a show of hands (chairperson will have a casting vote).

5.3.2 Should the BAC, after the recommendation has been referred back, not obtain a consensus with the BEC on the final award of the bid, the final recommendation must be submitted to the Accounting Officer for a final decision.

5.3.3 Thus, if a quote/bid other than the one recommended by the BEC is approved by the BAC, the Accounting Officer must first be notified.

5.3.4 If the BAC/AO decides to approve a bid other than the one recommended by the BEC, the Auditor-General, Provincial Treasury and National Treasury must be notified in writing within 10 days of the reasons for deviating from such recommendation.

5.3.5 The Accounting Officer may at any stage refer the recommendation made by the BEC or BAC back to that committee for recommendation.

5.4 Confidentiality

5.4.1 All bids and any related correspondence and deliberations thereon must be treated as confidential information. No member of Bid Committees or any other official of municipality may divulge information relating to bids unless he/she is authorised to do so. Any person liable for such conduct may be charged with misconduct.

5.4.2 Matters of a confidential nature in the possession of supply chain or other officials should be kept confidential unless legislation, the

performance of duty or the provision of the law requires otherwise. Such restrictions should also apply after leaving the service of municipality.

- 5.4.3 Any information that is the property of the municipality or its suppliers/service providers should be protected at all times.

5.5 Declaration of interest

- 5.5.1 Each member of the bid committee or any official involved in the bidding process must declare conflict of interest and sign confidentiality agreement prior to the commencement of the evaluation process. No member or official who has an interest (or whose relative or friend has an interest) in particular offer will be allowed to participate in the evaluation, consideration and adjudication of the relevant bid.

- 5.5.2 If the SCM practitioner or other role player, or close family member, partner or associate of such practitioner or other role player, has any private or business interest in any contract to be awarded, that practitioner or role player must:

5.5.2.1 *Disclose the interest.*

5.5.2.2 *Withdraw from participating in any manner whatsoever in the process relating to the contract.*

- 5.5.3 All committee members as well as the secretary should be required to declare their financial interest annually and at each subsequent meeting.

- 5.5.4 Members must declare all gifts and invitations accepted for social events received from suppliers or potential suppliers, irrespective of the value of such a gift. Such declarations must be captured in the minutes of the meeting and must be reported to the CFO. Any such gifts and/or invitations accepted by the CFO must be reported to the Accounting Officer.

5.6 Attendance

Members and all other attendees shall sign a register at each meeting, serving as attendance register as well as an undertaking to confidentiality and impartiality of that meeting.

6. LOGISTICS MANAGEMENT

6.1 The Accounting Officer must establish and implement an effective system of logistics management, which must include –

- 6.1.1 the monitoring of spending patterns on types or classes of goods and services incorporating, where practical, the coding of items to ensure that each item has a unique number;
- 6.1.2 the setting of inventory levels that includes minimum and maximum levels and lead times wherever goods are placed in stock;
- 6.1.3 the placing of manual or electronic orders for all acquisitions other than those from petty cash;
- 6.1.4 before payment is approved, certification by the responsible officer that the goods and services are received or rendered on time and is in accordance with the order, the general conditions of contract and specifications where applicable and that the price charged is as quoted in terms of a contract;
- 6.1.5 appropriate standards of internal control and warehouse management to ensure that goods placed in stores are secure and only used for the purpose for which they were purchased;
- 6.1.6 regular checking to ensure that all assets including official vehicles are properly managed, appropriately maintained and only used for official purposes; and
- 6.1.7 monitoring and review of the supply vendor performance to ensure compliance with specifications and contract conditions for particular goods or services.
- 6.1.8 Stocktaking of all assets in stock or on distribution should be conducted at least once a year.
- 6.1.9 The SCM unit shall be responsible and accountable for the establishment, management and operation of store facilities for the Municipality.

6.2 The management of stores shall include amongst others:

- 6.2.1 The day-to-day operation of the Municipality's store;
- 6.2.2 Determining the range and nature of items that will be carried in the store facility;
- 6.2.3 Setting the inventory level;
- 6.2.4 Timely placement of orders when stock levels are low;
- 6.2.5 Receiving and distribution of goods; and
- 6.2.6 Expediting orders.

6.3 Placing of orders

- 6.3.1 Purchase orders will be created with reference to requisitions where the supply source is contract or quotations (where sourcing had to

take place).

- 6.3.2 Requisitions must be completely filled and submitted with three quotations.
- 6.3.3 All purchase orders will be captured on the Phoenix system inclusive of VAT.
- 6.3.4 The assets section (for asset creation) and the insurance section (for claims) will be informed after the purchase order approval.

7. DISPOSAL MANAGEMENT

7.1 The criteria for the disposal or letting of assets, including unserviceable, redundant or obsolete assets, subject to sections 14 and 90 of the MFMA, are as follows –

- 7.1.1 vehicles that have been scrapped;
- 7.1.2 motors, pumps, panels and other electro-mechanical equipment which do not have the capacity to meet the demand and which cannot be used elsewhere in the system;
- 7.1.3 damaged motors, pumps, panels and other electro-mechanical equipment, the repairs to which cost more than 60% of the cost of a new replacement item; and
- 7.1.4 plant, vehicles and equipment that have exceeded their economic life.

7.2 Assets may be disposed of by –

- 7.2.1 Transferring the asset to another organ of state in terms of a provision of the Act enabling the transfer of assets;
- 7.2.2 Transferring the asset to another organ of state at market related value or, when appropriate, free of charge;
- 7.2.3 Selling the asset; or
- 7.2.4 Destroying the asset.

7.3 The accounting officer must ensure that –

- 7.3.1 immovable property is sold only at market related prices except when the public interest or the plight of the poor demands otherwise;
- 7.3.2 movable assets are sold either by way of written price quotations, a competitive bidding process, auction or at market related prices, whichever is the most advantageous;
- 7.3.3 firearms are not sold or donated to any person or institution within or outside the Republic unless approved by the National Conventional Arms Control Committee;
- 7.3.4 immovable property is let at market related rates except when the public interest or the plight of the poor demands otherwise;
- 7.3.5 all fees, charges, rates, tariffs, scales of fees or other charges relating to the letting of immovable property are annually reviewed;
- 7.3.6 where assets are traded in for other assets, the highest possible trade-in price is negotiated; and
- 7.3.7 in the case of the free disposal of computer equipment, the councillors are first approached to indicate within 30 days whether any of the local schools, traditional leaders, NGOs are interested in the equipment.

- 7.3.8 The Municipality's asset management policy will be considered as far as this matter applies.

FINAL

8. RISK MANAGEMENT

8.1 Risk Management

- 8.1.1 The supply chain management process must provide for an effective system of risk management for the identification, consideration and avoidance of potential risks in the SCM system, are as follows:
- 8.1.1.1 *Non-compliance by the supplier to deliver within agreed timeframes;*
 - 8.1.1.2 *Supply of inferior goods or services;*
 - 8.1.1.3 *Inability of the supplier to provide goods or services as ordered;*
 - 8.1.1.4 *Non-adherence to the Municipality's policy with regard to utilisation of preferred suppliers; and*
 - 8.1.1.5 *Procurement of goods or services at prices or of a quality not in the best interest of municipality.*
- 8.1.2 Risk Management must include-
- 8.1.2.1 *The identification of risks on a case-by-case basis;*
 - 8.1.2.2 *The allocation of risks to the party best suited to manage such risks;*
 - 8.1.2.3 *Acceptance of the cost of the risk where the cost of transferring is greater than that of retaining it;*
 - 8.1.2.4 *The management of risks in a pro-active manner and the provision of adequate cover for residual risks; and*
 - 8.1.2.5 *The assignment of relative risks to the contracting parties through clear and unambiguous contract documentation.*
- 8.1.3 In addition to the above, the Risk Management Framework of municipality will apply.

8.2 Bid Security

- 8.2.1 In all cases where property of the council is placed in the hands of a private organisation, security covering the full value of the property must be obtained.
- 8.2.2 Where the estimated cost of the project will, in the opinion of the Municipality constitute a higher risk of services not being completed in time by the contractor and therefore security is always required for the completion of construction service. Where security is required, details of the required security are stipulated as a bid condition.
- 8.2.3 Capricorn District Municipality may waive the requirements for a security in order to facilitate immediate entry of emerging small-scale entrepreneurs in the small works sector of the construction industry. The net effect is that the council will underwrite the risks of such

contracts in order to provide opportunities that will target a specific sector.

8.3 Professional Registration and Indemnity Insurance

- 8.3.1 In order to maintain such a high standard of work and keeping in mind the possible risk Council is exposed to, as well as the relevant legislation regarding the professions, it is of utmost importance that only firms registered with their relevant professional bodies are allowed for appointment by Council.
- 8.3.2 Furthermore, all such firms must have a valid and current Professional Indemnity insurance policy in place. The purpose of such a policy is to provide protection for any loss, damage, death liability or take-over of a third party or a loss sustained by the Council, related to an oversight, omission or negligence pertaining to the non-adherence of professional duties for which the consultant is responsible.

8.4 Deed of Cession

In recognition of the difficulties experienced by Emerging contractors in the procurement of materials due to suppliers classifying them as high risk, Capricorn district Municipality will allow cession arrangement in good faith where Capricorn district Municipality will undertake to pay the supplier directly from the contractor's certificate before paying the contractor.

8.5 Insurance

The contractor must supply proof of insurance in accordance with applicable General Conditions of Contract.

8.6 Sureties

- 8.6.1 The following deviations from the General Conditions of Contracts should be noted and that the projects listed below are afforded according to risk and the following sureties shall be applicable:

8.6.1.1	<i>Micro projects</i>	<i>Nil</i>
8.6.1.2	<i>Small projects</i>	<i>2.5%</i>
8.6.1.3	<i>Medium Projects</i>	<i>5%</i>
8.6.1.4	<i>Large projects A & B</i>	<i>10%</i>

- 8.6.2 Whereas in the case of micro projects sureties have been waived, for small and medium projects the sureties have been reduced, a cash surety will be deducted in equal percentages of the progress payments during the duration of the contract will be allowed. In the case of large projects not exceeding R2 million a cash deduction

from the first three progress payments covering the full surety percentage will be allowed. In case of large projects over R2 million only bank bonds will be allowed in accordance with the general Conditions of Contract.

8.7 Retention

8.7.1 The following deviations from the General Conditions of Contracts should be noted. Capricorn district Municipality shall retain the following percentages of the project cost from the Contractor during the construction as a guard against defects that might be noticed after practical completion-

8.7.1.1	<i>Micro</i>	<i>5%</i>
8.7.1.2	<i>Small</i>	<i>5%</i>
8.7.1.3	<i>Medium</i>	<i>10%</i>
8.7.1.4	<i>Large</i>	<i>10%</i>

8.7.2 The retention will be released as follows:

8.7.2.1	<i>Micro: 2.5% released at completion of the Project and the balance after 3 months</i>
8.7.2.2	<i>Small: 2.5% released at completion of the Project and the balance after 6 months</i>
8.7.2.3	<i>Medium: 5% released at completion of the Project and the balance after 12 months</i>
8.7.2.4	<i>Large: 5% released at completion of the Project and the balance after 12 months</i>

8.7.3 Capricorn District Municipality shall retain 5% on the account of the consultant as retention, which will be released after three (03) months, provided the following conditions have been complied with:

8.7.3.1	<i>Submission of as built drawings;</i>
8.7.3.2	<i>Submission of completion reports, operating manuals and equipment warranties; and</i>
8.7.3.3	<i>There are no unresolved management and or community issues outstanding.</i>

8.8 Penalties

8.8.1 All contracts awarded to contractors will be subject to a penalty clause. The penalty clause is necessary to encourage contractors to complete their assignments within the contract time.

8.8.2 The following penalties should be applicable:

8.8.2.1	<i>Micro projects</i>	<i>0.02 % of contract amount per day</i>
---------	-----------------------	--

- 8.8.2.2 *Small projects 0.04 % of contract amount per day*
- 8.8.2.3 *Medium projects 0.06 % of contract amount per day*
- 8.8.2.4 *Large projects 0.1 % of contract amount per day*
- 8.8.2.5 *A penalty clause does not and cannot ensure that a contract will be completed on time and therefore the enforcement of penalties will become a reality. Penalties should at least cover any loss incurred by the Council.*

FINAL

9. PERFORMANCE MANAGEMENT

9.1 Taking into account

- 9.1.1 The CFO under the delegation of the Accounting Officer must establish and implement an internal monitoring system in order to determine the basis of a retrospective analysis whether the authorized SCM processes were followed and whether the measurable performance objectives linked to and approved with the budget and service delivery and budget implementation plan, were achieved.
- 9.1.2 The relevant Project Manager must ensure that the performance of all contractors is assessed during the period of the contract.
- 9.1.3 At the completion stage of the project/contract, an assessment of the contractor shall be undertaken and this assessment should be available for future reference.
- 9.1.4 Performance management shall accordingly be characterised by a monitoring process and retrospective analysis to determine whether:
Value for money has been attained;
 - 9.1.4.1 *Proper processes have been followed;*
 - 9.1.4.2 *Desired objectives have been achieved;*
 - 9.1.4.3 *There is an opportunity to improve the process;*
 - 9.1.4.4 *Suppliers have been assessed and what that assessment is; and*
 - 9.1.4.5 *There has been deviation from procedures and, if so, what the reasons for that deviation are.*
- 9.1.5 The performance management system shall accordingly focus on, amongst others:
 - 9.1.5.1 *Achievement of goals;*
 - 9.1.5.2 *Compliance to norms and standards;*
 - 9.1.5.3 *Savings generated;*
 - 9.1.5.4 *Cost variances per item;*
 - 9.1.5.5 *Non-compliance with contractual conditions and requirements; and*
 - 9.1.5.6 *The cost efficiency of the procurement process itself.*
- 9.1.6 The CFO shall report quarterly to the Council on the following aspects:
 - 9.1.6.1 *Total procurement spend;*
 - 9.1.6.2 *Process disputes if any;*
 - 9.1.6.3 *Instances of alleged and proven fraud and corruption if any;*
 - 9.1.6.4 *Information regarding deviation process followed. Examples of*

such processes are:

- 9.1.6.4.1 Non-utilization of supplier database;
- 9.1.6.4.2 Subdividing of total requirements; and
- 9.1.6.4.3 Unplanned spending and obtaining less than the required number of quotations.

Definitions

1. In these Regulations, unless the context indicates otherwise, any word or expression to which a meaning has been assigned in the Act must bear the meaning so assigned—

“highest acceptable tender” means a tender that complies with all specifications and conditions of tender and that has the highest price compared to other tenders;

“lowest acceptable tender” means a tender that complies with all specifications and conditions of tender and that has lowest price compared to other tenders;

“price” means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;

“Rand value” means the total estimated value of a contract in Rand, calculated at the time of the tender invitation;

“specific goals” means specific goals as contemplated in section 2(1)(d) of the Act which may include contracting with persons, or categories of persons, historically disadvantaged by unfair discrimination on the basis of race, gender and disability including the implementation of programmes of the Reconstruction and Development Programme as published in *Government Gazette* No. 16085 dated 23 November 1994;

“tender” means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;

“tender for income-generating contracts” means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and

“the Act” means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

Application

2. These Regulations apply to organs of state as defined in section 1¹ of the Act.

Identification of preference point system

- 3.(1) An organ of state must, in the tender documents, stipulate—
- (a) the applicable preference point system as envisaged in regulations 4, 5, 6 or 7;
 - (b) the specific goal in the invitation to submit the tender for which a point may be awarded, and the number of points that will be awarded to each goal, and proof of the claim for such goal.
- (2) If it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
 - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system.

80/20 preference point system for acquisition of goods or services with Rand value equal to or below R50 million

4.(1) The following formula must be used to calculate the points out of 80 for price in respect of an invitation for a tender with a Rand value equal to or below R50 million, inclusive of all applicable taxes:

$$Ps = 80 \left(1 - \frac{Pt - P_{min}}{P_{min}} \right)$$

Where-

Ps = Points scored for price of tender under consideration;

Pt = Price of tender under consideration; and

Pmin = Price of lowest acceptable tender.

(2) A maximum of 20 points may be awarded to a tenderer for the specific goal specified for the tender.

(3) The points scored for the specific goal must be added to the points scored for price and the total must be rounded off to the nearest two decimal places.

(4) Subject to section 2(1)(f) of the Act, the contract must be awarded to the tenderer scoring the highest points.

90/10 preference point system for acquisition of goods or services with Rand value above R50 million

5.(1) The following formula must be used to calculate the points out 90 for price in respect of an invitation for tender with a Rand value above R50 million, inclusive of all applicable taxes:

$$P_s = 90 \left(1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$$

Where-

P_s = Points scored for price of tender under consideration;

P_t = Price of tender under consideration; and

$P_{\min}$ = Price of lowest acceptable tender.

(2) A maximum of 10 points may be awarded to a tenderer for the specific goal specified for the tender.

(3) The points scored for the specific goal must be added to the points scored for price and the total must be rounded off to the nearest two decimal places.

(4) Subject to section 2(1)(f) of the Act, the contract must be awarded to the tenderer scoring the highest points.

80/20 preference points system for tenders for income-generating contracts with Rand value equal to or below R50 million

6.(1) The following formula must be used to calculate the points for price in respect of an invitation for tender for income-generating contracts, with a Rand value equal to or below R50 million, inclusive of all applicable taxes:

$$P_s = 80 \left(1 + \frac{P_t - P_{\max}}{P_{\max}} \right)$$

Where-

P_s = Points scored for price of tender under consideration;

P_t = Price of tender under consideration; and

$P_{\max}$ = Price of highest acceptable tender.

(2) A maximum of 20 points may be awarded to a tenderer for the specific goal specified for the tender.

(3) The points scored for the specific goal must be added to the points scored for price and the total must be rounded off to the nearest two decimal places.

90/10 preference point system for tenders for income-generating contracts with Rand value above R50 million

7.(1) The following formula must be used to calculate the points for price in respect of a tender for income-generating contracts, with a Rand value above R50 million, inclusive of all applicable taxes:

$$Ps = 90 \left(1 + \frac{Pt - Pmax}{Pmax} \right)$$

Where-

Ps = Points scored for price of tender under consideration;

Pt = Price of tender under consideration; and

Pmax = Price of highest acceptable tender.

(2) A maximum of 10 points may be awarded to a tenderer for the specific goal specified for the tender.

(3) The points scored for the specific goal must be added to the points scored for price and the total must be rounded off to the nearest two decimal places.

(4) Subject to section 2(1)(f) of the Act, the contract must be awarded to the tenderer scoring the highest points.

Criteria for breaking deadlock in scoring

8.(1) If two or more tenderers score an equal total number of points, the contract must be awarded to the tenderer that scored the highest points for specific goals.

(2) If two or more tenderers score equal total points in all respects, the award must be decided by the drawing of lots.

Remedies

9.(1) If an organ of state is of the view that a tenderer submitted false information regarding a specific goal, it must—

- (a) inform the tenderer accordingly; and
- (b) give the tenderer an opportunity to make representations within 14 days as to why the tender may not be disqualified or, if the tender has already been awarded to the tenderer, the contract should not be terminated in whole or in part.

(2) After considering the representations referred to in subregulation (1)(b), the organ of state may, if it concludes that such information is false—

- (a) disqualify the tenderer or terminate the contract in whole or in part; and
- (b) if applicable, claim damages from the tenderer.

FINAL

12.CONTRACT MANAGEMENT

12.1 Management of expansion or variation of orders against the original contract

- 12.1.1 It is recognized that, in exceptional cases, an accounting officer of a municipality or municipal entity may deem it necessary to expand or vary orders against the original contract.
- 12.1.2 The expansion or variation of orders against the original contract has, however, led to wide scale abuse of the current Supply Chain Management system.
- 12.1.3 In order to mitigate such practices, accounting officers of municipalities and municipal entities are advised that contracts may be expanded or varied by not more than 20% for construction related goods, services and/or infrastructure projects and 15% for all other goods and/or services of the original value of the contract. Furthermore, anything beyond the abovementioned thresholds must be reported to council or the board of directors.
- 12.1.4 Any expansion or variation in excess of these thresholds must be dealt with in terms of the provisions of section 116(3) of the MFMA which will be regarded as an amendment to the contract.
- 12.1.5 The contents of the above paragraph are not applicable to transversal term contracts, facilitated by the relevant treasuries on behalf of municipalities and municipal entities and, specific term contracts. The latter refers to orders placed as and when commodities are required and at the time of awarding contracts, the required quantities were unknown.

13.PANEL ROTATION STANDARD OPERATING PROCEDURE
